## DEEDS, NOT WORDS

Clarksburg People Have Absolute Proof of Deeds at Home.

It's not words, but deeds that prove true merit.

The deeds of Doan's Kidney Pills for Clarksburg kidney sufferers. Have made their local reputation. Proof lies in the testimony of Clarksburg people who have been cured to stay.

Mrs. E. J. Anderson, living at 270 Clay St., Clarksburg, W. Va., says: "Kidney complaint troubled me for three or four years, being characterized by severe pains across the small of my back and a kidney weakness, which was annoying and distressing at all times. It was very hard for me to perform my household duties in account of the weakness across my back and whenever I stooped to pick anything up, the pains would be aggravated. I saw Doan's Kidney Pills highly advertised, for such trouble, and had my husband procure a box for me at Wells & Haymaker's drug store. They benefited me generally and greatly relieved the trouble in my back." (From statement given November 25, 1902.)

## Twice Told Story

On July 5, 1907, nearly five years later, Mrs. Anderson confirmed her previous statement, saying: "I have used Doan's Kidney Pills on some occasions since I recommended them, when feeling miserable from kidney trouble, and they have never failed to banish the annoyance. I always keep them on hand and value them very highly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States.

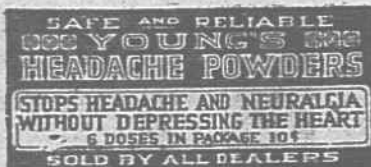

Remember the name—Doan's—and take no other.

## ORIGIN OF REPORT

About Infant Bodies in Water Tanks is Conjectured by City Water Consumer.

Editors the Telegram:

Perhaps I may be able to furnish a plausible reason for the origin of the "false" report circulated around the city by some "busybody" that bodies of infants had been found in the reservoir tanks of the city water works system, concerning which you published an article in yesterday's Daily Telegram. Doubtless the city water itself, steeped with germs, scum, bugs, microbes and other impurities, suggested to some consumer that it was breeding little baby animals of various kinds. This idea, expressed by some water consumer, may have been overheard by a boy who contorted it into the rumor that babies had been found in the water tanks.

I fear that some of these days the rumor will be started in the city that our present water works system, or at least our city water supply, is a disgrace to a civilized community.

Respectfully yours,  
A WATER CONSUMER.

The local camp of the Woodmen of the World has received the following testimonial from the widow of a deceased member, showing the benefits conferred upon the afflicted by the order:

Hutchinson, W. Va., Nov. 14, 1908.

Mr. Albert Howell.

Dear Sir:—You wanted me to write and tell you what I think about the lodge my husband belonged to. I don't think there could be a better lodge than the W. O. W. My husband belonged sixteen months and he paid \$20.80 and I received \$750. I thank them all for what they did for me and I also thank Mr. Brown for the kindness shown me through my troubles, for there is a place vacant that can never be filled. I also thank the boys for the respect shown me. I also thank the W. O. W. for the hundred dollar monument they are going to set at my husband's grave, shown as a resolution of respect. I will always have a word to say for the W. O. W.

## CROUP QUICKLY CURED.

Don't Let the Child Choke to Death While Waiting for the Doctor.

Croup should have prompt treatment. The life of many a dear one has been sacrificed because the right remedy was not at hand.

Pay close attention to the child who is feverish, thirsty, and occasionally coughs dryly and shrilly. This is the first stage of croup, and instant treatment should be given.

Hyomel, the miraculous, antiseptic dry air treatment, will cure croup in either the first or second stage. Easily inhaled, even when the breathing is irregular, it reaches more promptly than any other remedy the terribly inflamed membrane of the windpipe. It soothes balsams act immediately, the inflammation is allayed, and the swelling reduced.

"Not long ago our little boy Walter, awoke in the night with a bad attack of croup, so that he experienced great difficulty in breathing. We allowed him to inhale Hyomel, and he immediately began to breathe easier, and in half an hour was fast asleep. Our children, being subject to croup, we feel safe with Hyomel in the house, and I am glad to speak a good word for a remedy that will rob croup of its terrors."—Rev. Geo. Sisson, Pastor of M. E. Church, South Londonderry, Vt.

Hyomel (pronounced High-o-mel) is the quickest acting and most sensible remedy ever discovered for all diseases of the nose, throat, and lungs. It is guaranteed by Wells & Haymaker to cure catarrh, coughs, colds, asthma, bronchitis and croup, or money back. A complete outfit, including a neat hard rubber pocket inhaler, costs only \$1.00. An extra bottle of Hyomel, if afterwards needed, cost but 50c each.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case of Catarrh not cured by this medicine. Address:—Sole and Free Agents for Clarksburg, W. Va.
